

Event Flowers Contract

Between **Lindsey Meier** (Lindsey) and _____

Consultations: Email consultations are complimentary. Initial in-person consultations usually last about an hour and are \$20 (non-refundable) payable in cash at time of meeting. Should we choose to work together, this amount is applied to the balance.

If needed, a final complimentary consultation may be scheduled about 30 days prior to Event. Additional consultations or site inspections are available by appointment for a \$30.00 fee, payable at time of service.

Payments: A deposit of \$50 is required for confirmation of the Event Date. Deposit goes toward the balance and is non-refundable.

Balance is due in full 30 days before event date.

To encourage my friends and clients during this time of economic stress, all cash (not check) payments will receive a 5% discount.

Delivery: Pick-up in Bulverde is available and certain locations may qualify for free delivery/set-up. Otherwise the delivery and set-up surcharge is 10% of the total floral bill.

Cancellations: If an order needs to be canceled, the \$50 deposit and any consultation fees will be forfeited. Refunds for the rest of the balance are guaranteed up until 20 days prior to the event.

Lindsey reserves the right to cancel this contract if she believes it is in the best interests of those involved. In all situations, Lindsey's financial liability is limited to full refund of all monies paid.

Substitutions: Substitutions will be made in the event the flowers received are not of suitable quality. The color and style of the flowers will not change. For example: red roses will not be replaced by white lilies.

Please list below if there are any flowers that you absolutely do not want to be used as substitutions: _____

Your event is special and I take that to heart. I promise to do my very best to provide gorgeous fresh flowers at the lowest possible price. You can be assured that a compassionate and professional florist is dedicated to beautifying your day with flowers you will love.
